Fire Laws Become Effective In This Area On June 1st

H. E. Branagh, supervisor of the Tahoe National Forest, announced that fire closure laws will become effective June 1. They will remain in effect until October 31.

The regional forester, under authority vested in him by the secretary of agriculture, has declared a period of fire hazard and danger to exist upon all lands of the United States within the Tahoe National Forest and has authorized certain restrictions.

The restrictions prohibits the building of camp fires on the forest land without a permit and permits are required for all warming and cooking fires including those inside trailers.

Smoking is prohibited while traveling on foot, cycle or domestic animal in grass, grain, stubble, brush, timber and other inflammable vegetation cover of areas posted against smoking. Smoking is permitted in improved campgrounds, vehicles on the road and at places of habitation.

The restrictions prohibit the discharge of fireworks or placing or throwing burning cigarettes, cigars or other inflammable material in any place where it may cause a fire.

The rules will be rigidly enforced this year.

Conforte Pays Old Traffic Fine Here

The widely publicized Joe Conforte, whose name has been linked with a series of scandals in Nevada during the past several months, Tuesday paid his debt to Nevada County when he was hailed before Judge F. W. Wilson on warrants issued for traffic violations in 1958-59.

He paid the fine of $161 on the two citations for speeding and crossing a double white line after being picked up by Deputy Leo Zander.

Conforte, who is registered with his "staff" at the Riverside Hotel in Truckee, has been here since Friday, presumably awaiting the outcome of a court hearing in which he is involved at Reno.

FASHION SHOW BY CLUB IS PLANNED

TAHOE CITY — The annual spring luncheon and fashion show, sponsored by the Women's Club of Tahoe, is scheduled to be held this year on Wednesday, May 31, at the Crystal Bay Club at 12:30 noon. Chairman for the event this year is Mrs. Irene Grahn.

There will be a short business meeting followed by an installation of officers for the coming year.

Among the models for the children's fashion show will be the Misses Susan Ruhkala, Linda Thompson, Deborah Painter, Debora Grahn, Theresa Vanni, Sandra Vanni, Michelle Ann Carnell, Melanie Ann Clark, Patricia O'Grady, Deborah Daft, Kimberley Dart, Theresa Daft, Aleta Henrikson, Susan Files, Lynnel Bechdolt and Colleen Conners.

Another highlight of the luncheon will be a performance by the talented TV dance artist, Miss Victoria Lee Zawacki.

Reservations may be made by phone (JUniper 3-3972 or JUniper 3-3633) through Saturday, May 27. It is also possible to secure tickets at the door the day of the luncheon.

GAUTSCHE IS WINNER IN RENO AUTO RACES

Ron Gautsche of Gautsche's Chevron Station in Truckee, took first place in the main event in the Reno Stock Car Association races at the Reno fair grounds Saturday night. There were 29 cars entered in the race.

Gautsche drove his rebuilt 1932 Ford No. 8.

George Davis, also of Truckee placed fourth, while James Harris came in third in the semi main event. Harry Causey, driving Glenn Coffey's car had a collision and finished among the also-rans.

The races are held every Saturday night at the fair grounds and attract a large audience.

BOWLERS ARE FETED WITH DINNER HERE

Mr. and Mrs. Reg Smart entertained members of Smart's Restaurant bowling team and their wives at a dinner Tuesday evening for winning second place trophy in the first half of the winter league held in Kings Beach Bowl.

Those present were Messrs. and Mesdames William Scanlon, A. Menze, Lorrin Ferdinand, Joseph Straub, Robert Leamon, Charles Vind.

LAKE LEVEL

TAHOE CITY—With all gates closed, the level of Lake Tahoe Monday stood at 6224.20 feet, subject to revision. There has been no precipitation recorded during the past week and the temperature has ranged from a cool 30 to a high of 66 degrees, Daryl K. DeWalt, cooperative observer, reports.

Tahoe Post Office Will Be Dedicated At June 1 Program

Tahoe City's new post office will be dedicated at 11 a. m. on June 1, Postmaster Oliver Corona announced today.

The new facility, located at Tahoe City Center, is part of the post office department's unique commercial leasing plan, the local postmaster explained.

Under this program, investment financing is used to obtain needed facilities which remain under private ownership, pay local taxes to this community, and are leased to the federal government.

The new local post office, incidentally, is part of a program of accelerated postal construction and modernization ordered by President Kennedy, to stimulate the nation's economy and to assist Postmaster General J. Edward Day in his programs to provide the nation with the finest postal service in its history, Corona pointed out.

This program of new office starts—of which the local post office is a part—together with modernization of existing postal facilities over the nation—will provide about $270,000,000 in new con-

Summer Classes To Start On July 3

The governing board of the Tahoe Truckee Unified School District at its last meeting approved unanimously the summer school program for both high and elementary schools during the coming summer.

Classes will start July 3 in all schools of the district with the possible exception of Donner Trail. At the present time a registration survey is being made and no registration will be accepted after July 5.

In other action the board approved tenure for Rex Anderson, principal-teacher at Donner Trail school and voted to employ three elementary school teachers, David L. Dean, Sandra Ruth Hanna and Deryl Strong, and three high school teachers, Frank Austin, music. Kenneth D. Holback and O. O. Duncan.

Specifications were ordered for the possible purchase of a new school bus.

STREET SPEEDERS IN TRUCKEE WARNED

Drivers who have been using River Street as a speedway have received a final warning from local officers.

A number of young children live along the street and may venture into the roadway unthinkingly, Deputy Leo Zander pointed out. This would result in tragedy if the drivers continue to exceed the safe speed limit as they have been doing in the past.

This warning, Zander said, applies not alone to River Street, where the violation is most often, but to other streets in the community.

Future warning will not be given, but citations will, Zander declared.

MEAT MEN CHANGE SHOPS IN DISTRICT

Harry Raynor, who has been in charge of the meat department at Truckee Mercantile for the past several months, announces that he has taken over the meat department of the P&G Market at Kings Beach. He started his new business Saturday.

Raynor lives in Truckee having his family in their home at Gateway Park.

A. Pace of Truckee Mercantile announced that Glenn Ney of Reno is now in charge of the meat department there.

WILSON IS SPEAKER AT SQUAW MEETING

Guy Wilson, biology teacher at the Tahoe Truckee High School spoke on "High School Conservation Education" at the Friday evening session of the seventh biannial conservation education work conference at Squaw Valley.

Wilson presented examples of teaching methods and materials used in high school classes of conservation education.

The sessions were held Friday, Saturday and Sunday at Olympic Village and the theme was Resource — Use Education for Our Times. Approximately 70 attended the conference.

Fire Will Not Halt Season Opening At Brockway Hotel

BROCKWAY — While the fire which seriously damaged some of the facilities at the Brockway Hotel last Thursday morning caused considerable loss, the damage was not as great as at first reported, Pete Bennett, owner and manager declared.

As a matter of fact, Bennett declared, preparations are being made to open the popular resort center as scheduled on June 17.

Actually the loss consisted of the hotel office, lobby, front office, linen room, some 40 employes' quarters and two guest rooms. Two nearby cottages were scorched but not materially damaged.

One hundred and thirty guest rooms remain intact and undamaged by the fire and the dining room and kitchen are also still in service, assuring guests of accommodations throughout the season. The post office was not damaged.

One of the most confusing things about the fire was the loss of correspondence and reservations, which is causing some confusion.

The cause of the fire, which is believed to have started on the east end of the building is unknown and no immediate estimate of the loss has been made, although it is known to be high.

The North Tahoe Fire Department turned out and did a splendid job in containing the fire to the one structure.

REX ANDERSON HEAD OF TEACHER GROUP

SODA SPRINGS — The Tahoe-Truckee Educators' Association met at the Rainbow Lodge, Soda Springs, and elected Rex Anderson to head their organization during the coming year.

Anderson, the principal of the Donner Trail elementary school, is a graduate of Chico State College, and taught at the Kings Beach elementary school for two years before coming to the summit area last fall. He will succeed Alysmae Schultz of Tahoe City in the president's position.

Assisting Anderson during the coming year will be Jim Licklider as vice president; Pru Manley, secretary; Norman Handy, treasurer; Raleigh Hawks as Northern Area Council representative; and Paul Steinhauser was elected to a two year term on the board of directors.

Enjoying the dinner meeting with the association was Mr. and Mrs. Gordon Moyer of Tahoe City, Max Williamson of Soda Springs and District Superintendent and Mrs. John Corbin. Moyer is currently a member of the district school board, and Williamson is a member-elect.

LOCAL GROUP PLANS TOUR TO ICE FOLLIES

Reservations for a bus trip to San Francisco to see the Ice Follies on June 17 are being taken by Mariam Zwarg up until June 5 and preparations are being made for 100 to make the round trip that day.

The annual trip is being sponsored by the White Shrine and the total cost for the trip and show is $11.50. Those wishing to participate are urged to contact Mrs. Zwarg before June 5.

PICNIC PLANNED BY LOCAL CUB SCOUTS

Cub Scouts with their advisors and families will meet at the local ball diamond, Monday evening May 29 at 6 p. m. for a weiner roast picnic and baseball game.

Families are requested to take their table utensils and those not previously contacted are asked to call LU 7-3182 as more salads and cakes are needed.

At this time a new Cub Scout master will be named and volunteers for the positions of Den Mothers are also asked to be present at the affair.

KILLED IN CRASH

Mrs. Bernice Locklear, 72, Boise Idaho, was killed and her son, Joe P. Locklear and the latter's wife, Louise, 37, suffered minor injuries this morning when their car struck a deer near Kingvale and the mother and her son were thrown from the vehicle. The injured were taken to the Tahoe Forest Hispital and the dead woman to the Truckee Colonial Mortuary. They were traveling east.

Lightning Hit Tree At Donner Lake, Machine Damaged

Richard Swanson underwent what could have been a very shocking experience while sitting in his realty office last Friday during a brief but striking lightning storm.

A flash went down a tree just outside the building, denuding it of bark, followed a line into the office where it knocked out business machines and almost did the same to Swanson who was seated nearby.

According to Daven Morey another freakish occurence was the fact that fuses were not blown during the frightening incident.

Work Is Started On Lake Highway

Initial construction operations, mainly clearing in the Kings Beach and Brockway areas, have started for the widening of 8.1 miles of State Route 28 along the north shore of Lake Tahoe.

The project, under a $1,052,520 contract with Madonna Construction Company of San Luis Obispo, will extend from 2.5 miles east of Tahoe City, at the Dollar grade, to the Nevada state line.

It is expected the job will require about six months to complete. Traffic will be permitted to pass through the construction zone at all times with a minimum of inconvenience. One-way traffic control will be necessary at some locations during certain phase of the work. However, no work which will interfere with traffic will be performed on weekends or holidays.

For about three miles through commercial areas, mostly in the Brockway vicinity, the existing high way will be widened to 64 feet to provide four lanes. The remainder will be two lanes widened to at least 32 feet and to 40 feet where right of way permits.

Bernard Campbell of Yuba City is resident engineer for the division of highways.

The section from Tahoe City to the beginning of this project will be resurfaced to its existing width under a separate contract which will get under way later this year.

LEADERS FOR FUND DRIVE ANNOUNCED

Mrs. J. Vind, chairman of the current Red Cross fund drive which will conclude June 15, announced those who are assisting in collecting the contributions.

Separated into districts, those in Donner Lake are Mesdames C. Harris, Ray Wiser, John Houlgate, E. Fulcher, Walter Jellin, Joseph Corro, Ross Laugenaur; Meadow Park, Mrs. Lorrin Ferdinand, Mrs. D. Stone, Mrs. Frank Quilici. Gateway Park, Mesdames Robert Leamon, John McGlade, Zeph Rose, Daven Morey, Ben King. Truckee business area, Francis Longo, and Mesdames William Fordham, Robert Tonini, Hazel Lewis, Joseph Straub, R. Hansen, D. Daly, Edward Frates, George Kenyon, Rex Tollefson.

Anyone interested in helping may call LU 7-3097.

SANDRA VAN SICKLE HAS BUSY SCHEDULE

Miss Donner Lake of 1961, Sandra Van Sickle, is filling a busy role carrying the charm of this central Sierra area to surrounding communities.

In a dual capacity as Miss Donner Lake and as Miss Truckee Rotary Club, Sandy and her father were escorted to the Monday night meeting of the North Lake Tahoe Rotary Club in Crystal Bay, by Carol Maynard of the Truckee Rotary Club, accompanied by John Schilaty and on Wednesday night, she charmed Rotarians at the South Lake Tahoe Rotary Club at Stateline.

REJECT LEASE

By a vote of three to two, directors of the Truckee Public Utility District Tuesday rejected a proposed one-year lease offered by the Shadow Valley Country Club on the new clubhouse at the golf course.

FOOD SALE

Naomi Rebekah Lodge No. 2 will hold a food sale at 9:30 a. m. Saturday, May 27 in Truckee Mercantile. The members are preparing a variety of home cooked foods for early sale.

Pumping At Lake May Be Started Late This Summer

Claude Dukes, United States District Court watermaster for both the Truckee and Carson rivers, has made the flat prediction that water will have to be pumped over the Lake Tahoe rim into the Truckee river about the end of August.

The pumping project, Dukes indicated, will no doubt incur the wrath of all lake shore property owners, but he is of the opinion that it will be necessary for purposes of sanitation, stock watering and to save valuable downstream crops.

Dukes said it was imperative to maintain a minimum flow in the river for sanitary purposes as the death of fish in the river would create a health problem and pointed out that both Reno and Sparks sewage disposal plants dump effluent into the stream.

On four previous occasions, Lake Tahoe has dipped below its rim where there was no natural flow into the Truckee and water was pumped from Lake Tahoe in 1924, 1929, 1930 and 1934.

This marks the third successive extremely dry water year in both the Lake Tahoe basin and other sections of the Sierra drained by the Truckee river. Since the records have been kept, Dukes said, light precipitation years have never before occurred three years straight.

Because the navy, before the turn of the century, launched a canoe in Lake Tahoe and paddled it down the Truckee all the way to Pyramid Lake, the Truckee is considered an interstate navigable river. This means the navy will have to approve the pumping project after all other water agencies involved have agreed draining Lake Tahoe below its natural minimum elevation is necessary.

GIRL SCOUTS WILL BE REWARDED AT MEET

The Girl Scout court of awards and the Brownie fly-up ceremony will be held tomorrow evening at 7:30 o'clock in the all-purpose room of the Truckee elementary school, Mrs. Roy Saarni announced.

Following the presentation of flags, the fly-up of Brownie Troop No. 137 will be held with the following girls participating: Phyllis Brown, Terry Lynn Higgins, Mary Lou Randall, Michelle DeLisle, Elizabeth Richards, Lauren McCarroll, Sandy Eckerman and Tammy Richards.

This will be followed by songs by Girl Scout Troop 130 and the investiture ceremony for Bernie Hall of Troop 85. Skits will be presented by Troop 132.

Presentation of second class badges will be made to Eileen Olson of Troop 132 and Carol Brown. Diane Daly, Marta Drewery, Bernie Hall, Pamela Horman, Linda Russell, Karel Sauby, Allison Spillner and Jill Wurst of Troop 85.

There will also be a presentation of proficiency badges to qualified Scouts of Troops 132 and 85.

CONSULTANT TALKS ON INCORPORATION

Robert O. Bailey, an administrative consultant from Chico, yesterday spoke before the Truckee Chamber of Commerce on the various phases of incorporation and offered his services to make a survey to determine whether or not it is advisable to incorporate Truckee.

He explained the reasons for and against the plan and said his services would include a definite answer to many problems, including the present costs compared to those after incorporation and other angles of the proposal. The chamber took the matter under consideration and will decide later whether or not to employ the expert.

TWO ACCIDENTS IN DISTRICT REPORTED

Wayne A. Rogers, 24, Oakland, was taken to the Tahoe Forest Hospital Saturday after his car ran off the road a mile east of Truckee and was wrecked against a guard rail. Rogers told investigating CHP officers that he apparently fell asleep.

Passengers in a car driven by Lonnie H. Birchfield, 57, Crystal Bay, escaped serious injuries Friday at 9 a. m. when the car overturned a mile south of the halfway bridge on State Route 89 between here and Tahoe City.

Boat Launching Is Subject Of Session

Senator Ronald G. Cameron and Assemblyman Paul J. Lunardi announced today that a regular meeting of the Wildlife Conservation Board will be held June 8, at 1:30 p. m. in the State Employment Building, 722 Capitol Avenue, Sacramento, at which time the board will consider a proposal to build public boat launching facilities at Lake Tahoe.

The parcel of land, on which the proposed facilities will be built, is located at the old fish hatchery site near Tahoe City. The area contains nine acres with 150 feet of lake frontage. The facilities to be built will occupy about two acres, and include a three-lane launching ramp, together with parking facilities for approximately 100 cars and trailers. The balance of the land will be developed by the county for day use picnic facilities. It is estimated that approximately $50,000 will be allocated by the Wildlife Conservation Board for this project.

The facilities will be operated by the County of Placer and it has been suggested that a nominal entrance charge should be made during that time of the year when the major use of the area is not by fishermen.

LITTLE LEAGUE WILL HOLD TAHOE MEET

The Tahoe Truckee Little League will hold a meeting of the governing board at the Tahoe Inn, Tahoe City at 8 p. m. Thursday, May 25, for the purpose of conducting regular business. All parents and other interested persons are invited to attend.

Paul Doyle, publicity director, urges volunteer help to turnout at the daily practice sessions for the local teams as there is still not enough volunteer help. There is still work to be done on the field at the Truckee elementary school before the regular season begins June 12 and there is still a need for umpires, he said.

TWO BABIES ARRIVE AT LOCAL HOSPITAL

Stephani Jean who arrived May 13 had the distinction of being the only baby born at Tahoe Forest Hospital during National Hospital Week. Her first weight was 6 pounds 9 ounces and is the daughter of Mr. and Mrs. Richard Dogherra of Kings Beach.

Lyle Roland is a husky boy, weighing 9 pounds, 6 ounces on his arrival May 15 at the local hospital. Mr. and Mrs. Kenneth Smith of Truckee are his parents.

Board Gives New County Building Official Approval

By a vote of four to one the Nevada County Supervisors last week moved a step nearer to the start of the $790,000 project to finance a court house annex and a county building at Truckee.

Supervisor Guy Robinson was he only opponent to a recommendation of the county building committee that construction be financed under a lease-purchase plan rather than a bond issue.

Under the plan, the five-man building committee, including John J. McGlade of Truckee, would become a non-profit corporation operating under the board of supervisors. The committee, headed by Stanley Halls of Nevada City, was authorized to take steps to obtain options on property adjacent to the court house and in Truckee.

The Truckee structure, as designed by architects and engineers would cost approximately $150,000 and would house branches of the county government and provide and adequate jail for the eastern end of the county. The building committee has selected a site in the vicinity of the Tahoe Forest Hospital.

The building program for Nevada City would include a two-story annex to relieve overcrowding in the court house and create space for county agencies now renting quarters outside the court house.

Newsom Is Irked By Squaw Details

William A. Newsom, Sr., who operates the state park in Squaw Valley, this week angrily charged that red tape and confusion had destroyed a summer program in the valley that could have grossed $400,000.

He told the state park commission, meeting in Sacramento that "we live in a police state."

"There is a complete avoidance of any recognition of our rights," he declared.

Division Director Charles A. DeTurk admitted that there had been a breakdown in communications between the division and Newsom but in turn complained of the "red tape" that he faced in Sacramento.

Newsom signed a contract with the state last year to take over the facilities constructed for the Olympics. He said that last February he planned a summer program offering recreation and room for $49 a week.

"But we missed the boat," he said, explaining that the state officials never told him whether or not they planned to paint the dormitories during July and August.

"It would be unfair of us to invite people up there with 30 or 40 painters on scaffolds," he said.

HERB CLEGG SPEAKS AT ROTARY MEET

At the regular Monday night meeting of the Truckee Rotary Club at the Alpine Riverside Hotel, Herb Clegg, Jr., manager of the new Tahoe City branch of the Bank of California, discussed the growth of population and business possibilities in the north shore area.

Clegg drew an enthusiastic picture of the area's potential. Twenty-two Rotarians and guests enjoyed the program. Visiting Rotarians included W. F. Keller of South Lake Tahoe and Bill Johnson was a guest of the club.

GOLFERS TO TRAVEL TO GRASS VALLEY

Golfing members of the Truckee's Shadow Valley County Club will journey to Grass Valley next Sunday for a match with players there.

Those who plan to go but have not signed up are requested to contact tournament chairman Lauren Russell. The men will leave early and will be joined by the ladies at Grass Valley around 11 a. m. The Grass Valley Club is planning a large buffet for the locals.

TWO ARE ARRESTED BY HIGHWAY PATROL

California Highway Patrolmen arrested Ann Christy Popp, 42, of Yuba City Thursday in Truckee as well as her passenger, Jordan Otto Reimers, 37, of Marysville. Miss Popp is charged with drunken driving in an automobile. They were booked in the county jail but were later released on bail.

STRIKES & SPARES

ADD SPEED THIS EASY WAY

There are many small bowlers who want to generate more speed in their deliveries, like my pupil, "Tiny Tim." To do this, I suggested that he try adding a fifth step to his footwork. That gives the bowler more time and more space to develop more body momentum.

You must work to keep your coordination. If you add another step, you must adjust your arm swing so it doesn't bring the ball up for the release too soon. Try holding the ball a bit higher in your stance, as Buddy Bomar illustrates in today's illustration, and letting your arm swing back a bit more. This, too, will help add speed to your delivery. That will give you extra time to get in your extra step.

After working on this fifth step with "Tiny Tim" a while, he was not only happy during his league action, but he was roaring, "Bring on Powerhouse Paul! I'll show him how a working ball with normal speed is better than his fast ball any day of the week."

Seriously, you smaller bowlers propbably need the extra speed and momentum which a fifth step can provide. Why not try it?

KINGS BEACH BOWL
KINGS BEACH, LAKE TAHOE

NORTH TAHOE BRIEFS...

. . . By BETHEL

Penelope Ann Hulbert became the bride of Steven Ronald Frost Sunday, May 14, at 2 o'clock, at the Community Methodist Church in Kings Beach.

The bride wore a gown of white satin wth a short cathedral length train and fingertip veil with a pearl crown. The bride's bouquet was white orchids and stephanotis.

Matron of honor was her sister, Jill Shaffer and bridesmaids were Noeleen Wilcks and Joan Thran, both sisters of the bride, Jillyn Frost, sister of the groom, Kaytie Corbin, Anita Diaz and Sonja Lawler.

Pale pink gown was worn by the matron of honor and the little flower girl, Pam Brown. The bridesmaids were in lilac and carried cascade bouquets of white carnations, orchids, gardenias and stephanotis.

Mrs. Noel Hulbert, Kings Beach, mother of the bride, chose melon pink for her dress and matching accessories, and wore a white orchid corsage.

Mrs. Marjie Angel, Salt Lake City, the groom's mother, chose a soft pink gown and matching accessories and wore a white orchid corsage.

Best man was Sheril Molinex of Stead Air Force Base. Ushers were Gary Hulbert and Arthur Hulbert, cousins of the bride, Ronald Wilcks, Jerry Thran and Budd Shaffer, brothers-in-law and Keith Stomberg wore white harnation boutonnieres.

Ring bearer was Dickie Mandeville.

Baskets of white flowers decorated the church and white satin ribbon tied the pews.

"I Love You Truly" and the Lord's Prayer" were sung by Don Vance with Ruth Mizner, organ accompanist. Ceremony was read by Rev. H. Holler.

Reception at the Crystal Bay Club followed the ceremony. An array of hors d'oeuvres and a bubbling fountain of champagne charmed the guests. A combo played for dancing.

Out of town relatives were Mrs. Dolly Kennison, Auburn; Drummond Hulbert, Weimar, and daughters, Eula and Evie; Neil and Jerry Hulbert of Auburn; Thomas and Kathy Smith of San Francisco; Clifford and Eleanor Hulbert of Sacramento; Mr. and Mrs. Jerry Thron, Los Angeles; Mr. and Mrs. Ronald Wilcks and son Todd of South Tahoe.

Out of town relatives Mr. and Mrs. Gene Neilsen, Mr. and Mrs. Leo Tealdi of San Francisco; Mr. and Mrs. Lauren Johnson and daughter, Laureen, Sierraville; Mr. and Mrs. Ben Malone and Mr. and Mrs. Jack Wooten, Sacramento; Mr. and Mrs. Gene Scossa, Mr. and Mrs. Cecile Stodieck and son, Fredrick, Mrs. Lizzie Godecke, Mrs. Alma Frickie, Mr. and Mrs. Herman Wilcks and daughter, Diane, Mrs. Bernice Thron and sons, Billie and Kenney and daughter Lorraine, and Peter Thompson, Gardnerville. Nevada.

Jillynn Frost caught the bridal bouquet. The bride wore a going away ensemble of green and vanilla with matching accessories and an orchid corsage.

The couple will make their home at Kings Beach following a honeymoon in San Francisco.

"Sierra Spree" — Tahoe Forest Hospital Auxiliary annual fund raising event—set for May 25 at the Sierra Lodge, courtesy of Mr. and Mrs. Stan Parsons, owners. Cocktails, smorgasbord dinner, dancing and available casino should guarantee a spree.

Mrs. Bruce May of Kings Beach is chairman with Mrs. Roland Garwood, assistant, and committee of Mrs. Hap Warnke, Mrs. Milt Avila, Mrs. Lee Van Wetter and Mrs. Stan Tomlinson. Martin Van London, chef, Sierra Lodge, has donated assistance to the worthy cause.

Donation of time and materials has also been made by Crystal Bay Club and Harolds Club and the talents of Lorraine Ducharme of Tahoe City in the decor, as well as the combo which will provide the dance music.

Tickets may be obtained from the committee or at the door.

The Firebelles of North Lake Tahoe were given their first opportunity to prove their worth following the Brockway Hotel fire. Cooked breakfast for the North Tahoe Fire Protection District volunteer firemen. Assisting the fire chief wife, Ella Rae Fulton, were Beulah Astle, Tallie Daneri, Midge Smith, Sophie Levra, Ann Mason.

Secondary burns were suffered by Mrs. Irma Simmons of Tahoe Vista when her gas oven exploded. Glad it wasn't serious.

Back from Palm Springs and way-points are Tina and Henri of Brockway. Henri during his idle moments this past winter has come up with a wonderful invention—a new curler—good luck, and welcome back.

Welcome to Tahoe Vista and Lake Tahoe, Alice and Dick Jarrett. Deserted the desert—Juniper hills, Pear Blossom, in the Antelope Valley — to the Tahoe Vista Trailer Parks as the new owners. Son, Tony, was left at the old address to operate the business. Promise a lot of new improvements to the trailer park.

Pearl Draney, Audrey Welch, Mar Howell, Eugenia Fry and Ella Rae Fulton, all Firebelles of North Lake Tahoe, were given instruction in the dispatcher's course by Fire Chief Joe Fulton of Kings Beach.

Recent guests to a dinner party were Harry and Ceta Hooper of Brockway at the home of Mr. and Mrs. Myron Frank. Also among those present were George and Dorothea Folsom and Eddie and Frankie Folsom of Reno, Mrs. Frank's sons.

Dear friends and greater people —George and Iris Alerio have arrived in Tahoe Vista, bags and trailerload, to open and operate Sandy Beach Coffee Shop. Official opening this weekend — but good.

Guests of Bethel, Pieter and Jan Van Tassell of Tahoe Vista over May 14 weekend were cousins Jeanette and Vernon Holmes and sons Tommy and Emery of Auburn and Lola and Donna McIntyre of Sacramento. Old home week.

Happy birthday, Sunday, May 14, to Jack Tennesen of Kings Beach. Dinner guests of Jack and Jane were Ted and Pearl Draney and Leonard and Fran Cernusak.

The Richard Neustetters are new residents at Brockway having moved from Idaho. Daughter Dana will attend the local school and son transfer to Sierra College at Auburn.

Happy birthday, Carol Corbin of Kings Beach, 12 years old May 13. Celebrated with dinner party. Guests were Susan Clackett, Debbie Martin, Vicki Jones, Wendy Howell, Steve Felte, Kenny Kammerer, Eddie Endivery and Howard Price.

Bob and Dianne Clark of Kings Beach were recent visitors to San Fernando for a weeks visit with his parents.

Captain Harry S. Hooper of Brockway and 35 officers and men from a select reserve crew, Division 12-49, home base at the Armory at the University of Nevada, Reno, spent two days at sea conducting operating maneuvers aboard the destroyer USS Walton.

Happy birthday, Jon Hooper, 12 years old on May 24. Only request his aunt had was for two lemon meringue pies all his own. That's easy, Jon, they are yours.

Champagne opening of Jean and John Palmer's Riviera Resort Clothes in Tahoe City was unequaled in these parts. A masterpiece of simplicity, unique in design, and unsurpassed in San Francisco, Paris or Rome, to quote John. Personal credit for the boutique look goes to Mack McDowell of San Francisco with all furniture custom designed.

Having spent the winter in Europe, John and Jean have a continental motif in the store and its imports. Particularly happy results of the imports is Juliana Nardelli, the manager, of Rome.

Congratulations to the Palmers.

NOTICE OF TIME AND PLACE OF HEARING ON PETITION FOR ANNEXATION—TAHOE FOREST HOSPITAL DISTRICT.

Pursuant to Resolution Number 611 of the Board of Directors of Tahoe Forest Hospital District: NOTICE IS HEREBY GIVEN:

That the Board of Directors of Tahoe Forest Hospital District will, on the 26th day of May, 1961, at the hour of 8:00 o'clock p. m., at Tahoe Forest Hospital, Truckee, Nevada County, California, hold a hearing on petition for annexation, said petition being heretofore presented and filed with the said Board of Directors of said Tahoe Forest Hospital District, on the 12th day of May, 1961, said Petition being signed by 19 signers, whose signatures were duly verified and certified, said hearing to determine whether or not there shall be annexed to Tahoe Forest Hospital District the following described territory proposed for annexation, situated in the County of Placer, State of California, and more particularly described as follows:

Parcel One in Placer County: Beginning at the Section Corner common to Sections 16, 17, 20, and 21, Township 17 North, Range 15 East, M.D.B. & M.; thence easterly along sections lines to the northeast corner of Section 20, Township 17 North, Range 16 East, M.D.B. & M.; thence southerly to the southwest corner of Section 33, Township 16 North, Range 16 East, M.D.B. & M.; thence easterly to the northwest corner of section 3, Township 15 North, Range 16 East, M.D.B. & M.; thence southerly to the southwest corner of Section 10, Township 15 North, Range 16 East, M.D.B. & M.; thence easterly to the northwest corner of Section 14, Township 15 North, Range 16 East, M.D.B. & M.; thence Southerly to the southwest corner of Section 14, Township 15 North, Range 16 East, M.D.B. & M.; thence westerly to the southwest corner of Section 18, Township 15 North, Range 16 East M.D.B. & M.; thence southerly to the southeast corner of Section 14, Township 15 North, Range 15 East, M.D.B. & M.; thence westerly to the southwest corner of Section 18, Township 15 North, Range 15 East, M.D.B. & M.; thence northerly to the northeast corner of Section 1, Township 15 North, Range 14 East, M.D.B. & M.; thence westerly to the southwest corner of Section 36, Township 16 North, Range 14 East, M.D.B. & M.; thence northerly to the southwest corner of Section 13, Township 16 North, Range 14 East, M.D.B. & M.; thence easterly to the southeast corner of Section 13, Township 16 North, Range 14 East, M.D.B. & M.; thence northerly to the northwest corner of Section 32, Township 17 North, Range 15 East, M.D.B. & M.; thence easterly to the northeast corner of Section 32, Township 17 North, Range 15 East, M.D.B. & M.; thence northerly to the point of beginning.

Parcel Two in Placer County: Beginning at the northwest corner of Section 18, Township 14 North, Range 17 E., M.D.B. & M.; thence easterly to the north ¼ corner of said Section 18; thence southerly along the east side of the northwest quarter of said Section 18 to the southeast corner thereof; thence westerly to the west one quarter corner of said Section 18; thence north to the place of beginning.

That the prayer of said petition signed by not less than fifteen per cent of the qualified registered voters residing within the territory proposed for annexation, as hereinabove described, prays the annexation of said territory, for the reason, among others, that said territory and the residents, inhabitants and occupants thereof will be benefited by having available the medical and hospital facilities and services of said Tahoe Forest Hospital District, and they did hereby assent to the annexation of said territory.

NOTICE IS FURTHER GIVEN that all persons interested in or affected by such change in the boundaries of Tahoe Forest Hospital District may appear at said hearing and show cause, if any they have, why such change should not be made, and written request against the inclusion of all or any portion of the territory proposed for annexation will, at such time and place, be then heard and considered.

IN THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA, STATE OF CALIFORNIA

Regular Adjourned Meeting
May 16, 1961

Present: John T. Trauner, Clerk
Wm. J. Cassettari, Assistant District Attorney

The meeting was called to order at 10:00 a. m. by the Chairman of the Board and it was noted that all members of the Board were present.

The minutes of the previous meeting were read to the Board by the Clerk and a motion was made by Supervisor Bishop, duly seconded and passed unanimously, approving the minutes as read.

The County Auditor presented the Board with the Claims Register, showing thereon the claims due and payable, and a motion was made by Supervisor Ricker, duly seconded and passed unanimously, authorizing the Chairman to sign the Claims Register, authorizing the following claims for payment.

General Fund Warrant
No. 3501-3550 ..... $1,935.82
Hospital Fund Warrant
No. 831-858 ..... $3,621.47

Miss Elma Hecker, Tax Collector, appeared before the Board and entered into a discussion on the need of the immediate purchase of validating machines in her department, and presented the Board with a budget transfer request transferring the sum of $5,501.60 from Reserves to her budget. A motion was made by Supervisor Bishop, duly seconded to allow the transfer, and upon a roll call ballot, a unanimous vote was recorded.

A motion was then made by Supervisor Bishop, duly seconded and passed unanimously, authorizing the Auditor to reduce the C-1 category in the Treasurer-Tax Collector 1961-62 budget by $5,501.60.

Mr. Cedric Porter, County Hospital Superintendent, appeared before the Board and rendered the report of the County Hospital to the Board, and informed the Board that Dr. C. Jackson Rayburn, Assistant Medical Director had assumed his duties at the County Hospital.

The County Clerk read to the Board, a letter received from the Nevada County Farm Bureau protesting the lack of information given to the public for the financing of the remodeling and additions to the county court house, and suggested that the taxpayers be well informed of the expense, and they should be asked how the board should acquire the necessary finances. No action was taken on the letter by the Board.

Mr. Harold Berliner, District Attorney, appeared before the Board and rendered a report on the parcelling system contract with T. H. McGuire & Sons.

Mr. Clare Hughes, County Purchasing Agent, appeared before the Board and rendered a report on the County Purchasing Department, and notified the Board that he had let the contract for the excavation for fuel tanks at the county airport to Mr. C. E. Jesswein as low bidder.

Mr. H. Verne Jones, Secretary of the Planning Commission, appeared before the Board and rendered a report on the planning commission action, which called for precise zoning in the Brunswick Road Area, and the matter was referred to Mr. Cassettari, legal counsel for the proper resolution.

At this time, the Chairman announced that the Board would adjourn for lunch, to reconvene at 1:30 p. m.

AFTERNOON SESSION

The Board reconvened at 1:30 p. m. and it was noted that all members of the Board were present.

Sheriff Wayne Brown appeared before the Board in regard to a retirement system and stated that the Department Heads Association had nominated him to appear before the Board and request information as to whether or not the Board of Supervisors were in favor of instituting a retirement system within the county. The Chairman suggested that the supervisors be given study material, and the matter was deferred until the next meeting.

This being the time heretofore set for the appointment of an Agricultural Commissioner and Sealer of Weights and Measures, the following candidates were present in the Board Room: Mr. Elroy Eberwein, Mrs. John Phillips and Mr. John Golden. After the candidates had introduced themselves to the Board, and briefly talked to the Board, the Chairman adjourned this session at 1:40 p. m. to enter into and executive session relative to the proposed appointment. The Board reconvened at 1:50 p. m. and the Chairman announced that the matter of the appointment would be taken under advisement.

Mr. Stan Halls, County Building Committee Chairman, appeared before the Board and introduced all the members of the committee to the Board. Mr. Edward Buckner, representing Robert Schweser Co. appeared before the Board, and outlined the steps necessary for the Board to take relative to the financing program on a lease purchase procedure.

The Chairman requested the Board members to indicate whether or not the Board should sign the preliminary agreement with the Robert Schweser Co., and D. Walter Lotz, representing both the Nevada County Farm Bureau and the Nevada County Taxpayers Association proposed that a delay be granted until more information could be given to the people of the county. A general discussion ensued with many participants therein, and a motion was made by Supervisor Robinson, duly seconded directing the Clerk to issue a Minute Order to the Building Committee, authorizing said building committee to secure firm offers or options on property needed for the proposed county building within the County of Nevada. Upon a roll call ballot, a unanimous vote was recorded.

Mr. Stan Halls then rendered a few remarks relative to the proposed building and the amount of work the building committee has done, and a motion was made by Supervisor Bishop, duly seconded to sign the preliminary contract with the Schweser Co. Upon a roll call ballot, it was noted that Supervisor Robinson, representing the fourth district voted negatively.

Mr. Malcolm Mau, Architect, at the request of the Board stated that the specifications and working plans for the proposed county buildings would require approximately nine months to one year to complete after the contract had been signed.

A motion was then made by Supervisor Bishop, duly seconded authorizing the adoption of Resolution 61-25 (a Resolution authorizing the Chairman to sign an agreement) and upon a roll call ballot, it was noted that Supervisor Robinson, representing the fourth district voted negatively.

Dr. Elbridge Best, County Health Officer, appeared before the Board and requested permission to leave the State of California for a period of one day, and a motion was made by Supervisor Robinson, duly seconded and passed unanimously, authorizing the absence of Dr. Best from the State of California.

There being no further business to come before the Board at this time, a motion was made, duly seconded and passed unanimously, to adjourn, to meet again on May 23, 1961 at 10:00 a. m. for budget session.

/s/ H. G. Loehr
Chairman of the Board of Supervisors
ATTEST:
/s/ John T. Trauner
Clerk of Said Board.

ORDINANCE NUMBER 6103

FIXING SALARIES OF DIRECTORS AND OFFICERS OTHER THAN DIRECTORS AND DEFINING THE DUTIES OF TREASURER.

WHEREAS Section 16002, provides that each member of the board of directors shall receive such compensation as the board by Ordinance provides subject to the limitations therein set forth, and

WHEREAS Section 16111 of the California Public Utilities Code enumerates the officers of public utility districts, other than directors, to be: a clerk, who is also ex-officio secretary of the board, an accountant, a treasurer and a general manager, and

WHEREAS Section 16112 provides among other things that the compensation of such officers shall be provided for by Ordinance, and

NOW THEREFORE, BE IT ENACTED BY THE BOARD OF DIRECTORS OF TRUCKEE PUBLIC UTILITY DISTRICT, as follows:

1. That each member of the board of directors of Truckee Public Utility District shall receive and be paid by said District the sum of Five Dollars ($5.00) for each regular meeting attended.

2. That the general manager of the District be paid for the performance of the duties of this office a minimum salary of $700.00 per month and a maximum salary of $900.00 per month, the exact amount of the salary to be fixed by the Board and changed at their discretion within the limits provided in this Ordinance.

3. That the accountant, the clerk and the treasurer of the District shall be paid for the performance of the duties of their respective offices a minimum salary of $300.00 per month and a maximum salary of $500.00 per month, the exact amount of the salaries to be fixed by the Board and changed at their discretion within the limits provided hereinabove.

4. That the treasurer of the District shall have charge of the funds of the District, the receipt and deposit thereof as authorized by said Board, which said funds of the District shall be withdrawn upon order of the treasurer, as authorized by said board of directors, upon the signature of the treasurer and president of the Board, or other person authorized by the Board so to do. Said treasurer shall post a bond with the District in the amount of $10,000.00. In addition thereto said treasurer shall perform such other duties as the Board of directors may impose from time to time.

5. That appointments to the respective offices herein provided for shall be made by duly adopted resolution of the board of directors, and any such appointees shall hold office at the pleasure of the Board.

6. That within twenty-one days from date hereof the clerk of said Board shall cause copies of this Ordinance to be duly posted and/or published, as required by law.

The foregoing Ordinance was duly passed and adopted by the board of directors of TRUCKEE PUBLIC UTILITY DISTRICT, at a regular meeting thereof, duly called and held on the 9th day of May 1961, by the following vote:

AYES: Chairman King, Directors Edmunds, Horman, McIver, Greenhouse.
NOES: None.
ABSENT: None.

TRUCKEE PUBLIC UTILITY DISTRICT

DONNER DOINGS

Summer must be here because water skiers were out on the lake over the weekend and even though one had on a rubber suit, that water must have been very cold. I don't intend to go swimming until June or July because by then, the water will have a chance to warm up.

We received a letter from Dollie Harris this week and she is really having a time on the ranch. For a while she enjoyed her new life until Virgil stepped on a nail and they had to spend several days in Sacramento going to a doctor having his foot lanced plus getting all kinds of shots. They were up several nights soaking Virgil's foot and trying to get the infection out. Dollie said he is a lot better now and they are back at Plymouth.

* * *

Joanie Conley finally came back to Donner Lake to see all of her friends last weekend. Joanie has been in Carson City working for the State of Nevada in the highway department. She has been living at Carson for nearly a year now with the exception of spending a few weeks in Washington with her relatives.

* * *

Mr. and Mrs. Albert Dunlap have returned to their home in Weed, California after spending a week with their daughter and son in law, Mr. and Mrs. Bud Fulcher. Mrs. Dunlap was Eleanore's guest at the auxiliary meeting last Thursday and everyone enjoyed meeting this charming lady. We hope they will visit Donner Lake again soon.

Miss Diane Pankoke was hostess last Friday at a dinner party in honor of Bunny Board who recently returned from Minnesota. After the guests enjoyed the delicious dinner, they attended the spring concert at the old Truckee elementary school auditorium. Ross Price presented the combined groups of varied music which was open to the public and was extremely enjoyed by the young group celebrating Bunny's return.

Many Donner residents are planning to attend the big annual fund raising event sponsored by the Tahoe Forest Hospital Auxiliary, this Thursday evening at the Sierra Lodge over at Crystal Bay. This social highlight of the season will feature dinner dancing with proceeds from the occasion going for more needed facilities for the hospital. Mr. and Mrs. Stan Parsons have donated their lodge for this worthwhile event which will better the whole community.

Mr. and Mrs. Tom Bonano were attendants recently at the wedding in Reno of Tom's brother Joe and Margaret Anderson, both of Oakland. Joe has lots of friends around Donner Lake since he has been visiting here every summer for years and everyone is anxious to meet his new bride. I am sure Joe and Margy will visit Tom and Jerie later on this summer then we can all get together and wish them happiness.

The Donner firemen are very busy these days preparing for the Donner Lake Regatta. The auxiliary is very busy also and at last week's meeting at Cozzi's, it was agreed upon to have the annual barbecue again.

It will be prepared again by the firemen and auxiliary members at the west end of Donner Lake where the races will be held. The barbecue is set for Saturday, July 8 from 4 p. m. to 7 p. m. with more particulars to be announced later. The Regional Championship races will start Sunday morning at 10 a. m. on July 9 so another exciting year is expected by our Donner firemen, sponsors of this annual event.

GRASS PLANTING ON FOREST ADVANCES

A forest service grass revegetation project neared completion this week in the Dry Creek area, 10 miles north of Truckee.

Last June 400 acres of sagebrush were sprayed with 2-4-D, a hormone type brush killer, resulting in a 95 per cent kill. Last month a specially designed rangeland drill began grass planting operations in this treated area. This drill cuts a 10-foot swath and can plant 20 to 30 acres per day. Ray Lierman and Fred Scott of the local ranger station staff, were assigned to the project.

Two wheatgrass and a tall oatgrass were selected for the job because of their drought resistance and aggressiveness to poor soils. The grass are now germinating thanks to recent storms interspersed with periods of warm sunshine. The overall success of the project will not be certain until this fall, since some of the grasses may not survive the long dry Sierra summer.

Pilot tests made in the Truckee area over the past three years, however, indicate a good survival and a large increase in range livestock capacity, Ranger Roy Saarni pointed out.

A by-product benefit of the spraying is already evident in the large increase in vigor and numbers of native grasses and herbs that have followed the release of sagebrush competition.

This project is typical of many of the multiple-use jobs the forest service is doing to bring its wild lands into full productivity. The grasses will not only benefit livestock but will also provide for deer and other wildlife and help bind the soil against wind and water erosion.

The project is particularly timely on the Truckee ranger district as one of its key range allotments will be terminated this fall when water begins to back up behind the new Prosser dam, Saarni said. By next spring the extensive Prosser and Alder Creek meadows will be flooded.

Saarni said that he will be pleased to direct or take interested people to the project area, demonstrate the rangeland drill, and give per acre cost figures and other data to any rancher in the area desiring to improve their rangeland.

ANOTHER SURVEY ON U. S. 40 IS UNDERWAY

Another state survey crew has been assigned to work along US 40 in Nevada and Placer counties in the vicinty of Cisco and Hampshire Rocks, according to officials at the Barysville district office of the division of highways.

The five-man crew under the direction of Charles Winona of Marysville is the fourth survey party to be stationed in the region between Emigrant Gap and Hampshire Rocks in recent weeks. The 11.5 mile section will be the site of freeway construction later this year.

One or more of the crews will be active in the area for the next two or three months.

Winona's party will stake the construction center line and obtain additional information for design purposes.

Construction on the first section of freeway is expected to get under way within about two months.

POPPY SALE WILL BE CONDUCTED SOON

KINGS BEACH—As in previous years the familiar red poppies, in memory of those who gave their lives, will be sold May 27 in the North Tahoe area by members of the Veterans of Foreign Wars Post No. 7077 and their Auxiliary according to Commander Earl Gray and President Pearl Draney.

One penny for each poppy sold goes to the V. F. W. National Home where the widows and orphans of veterans are given an opportunity to become healthy, self-supporting citizens.

The Buddy Poppy also symbolizes the plight of veterans, some who have known no other home than a veterans hospital for more than 20 years.

The balance of the money collected from Buddy Poppy sales remains in the community to carry out rehabilitation, relief and welfare work.

The Basque language is like no other toungue.

WADDELL HONORED AS SCOUT LEADER

KINGS BEACH — Scoutmaster Red Waddell of Kings Beach was selected by a special award committee of Tahoe Area Council of Boy Scouts of America to receive the gold nugget award for 1960-1961.

This award is presented to men and women of their community for outstanding service to boys and the first recognition of this type given this community.

Doug Baxter will accompany Waddell to the presentation dinner being given this evening at Auburn.

The City and County of San Francisco is a municipal corporatiion known as San Francisco.

TAHOE TRUCKEE SCHOOL NEWS

KINGS BEACH SCHOOL

SECOND AND THIRD GRADE: We are happy to announce that two second graders participated in the filming of Bonanza this past week at Incline Village. The two lucky girls were Nancy Tiller and Kristine Plunkett.

Our teacher, Mrs. Wing, attended the Tahoe Truckee Educational Association dinner at Rainbow Tavern, Soda Springs, on Wednesday. Installation of officers was the main event of the meeting prior to the dinner. Thirty-eight teachers of our district were present.

The following children did a ballet in the T. P. A. program Thursday night: Margaret McDonald, Kristine Plunkett, Nancy Tiller and Wynn Manning.

THIRD GRADE: Hazel Wainscoat rejoined our class. She has attended school in Reno for the past several months.

FOURTH GRADE: The following people made 100 in spelling Friday. Micky Barker, Woody Biggs, Christine Anderson, Ellen Dennis, Candy Ehlers, Cathy Ferguson, Debbie Hilgensen, Jennie Hoffman, Steve Holley, Charles Lambert, Wim Smith, Sandra Martin, Cathy McIntire, Sharon Roberts, Pieter Van Tassell.

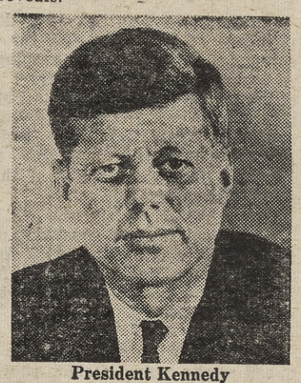
SEVENTH GRADE: In getting ready for the end of school we are planning our party as well as finishing units of work.

The party planning committee are Bruce Templeton, Paula Martin and Mike Thomas; on refreshments, Phil Thompson, Gail Wilson and Linda Gerlits; on entertainment, Cathy Whitehead, Steve Felte, Jill DeSylva and Nelson Romero; on clean up, Bob Mondino, Vern Wing and John French.

Another activity is the decorating for the eighth grade graduation. Doing the beginning planning are Darryl Cernusak, Darryl Lausche, Barbara McMillen, Wayne Petty, Howard Price and Rondi Thorwaldsen.

President's Program Is Responsible For New Post Office At Tahoe

TAHOE CITY — The new local postal facility is part of an accelerated $269 million postal construction and modernization program ordered by the President, Postmaster General Edward Day reveals.



President Kennedy

President Kennedy has ordered speedups of new post office construction which will mean an estimated 2,000 new postal buildings all over the Nation will be placed under contract this year, Mr. Day reported.

"We don't know precisely where all of them will be yet, but your local building is one of the first which will be dedicated and put to use this year," Mr. Day told this newspaper.

Program Justified

The President's post office program is not only well justified by economic needs—but is urgently required to meet expanding mail needs.

Local increases in mail volumes are part of a nationwide trend which will require thousands of new post office buildings in the years immediately ahead, the Postmaster General noted.

"For example, in 1900, the average person would get about one piece of mail a month," Mr. Day said. "Today, he gets an average of about one piece a day."

85 Billion Load

Experts estimate that in the next generation this country's staggering mail volume of 85 billion pieces annually will double, Mr. Day added.

"Obviously," he commented, "we cannot expect to meet these future mail volumes with the outmoded postal plant of the past. We must begin to prepare more for the mail volumes of the future with planning now."

Double-Barreled Aid

Acceleration of the postal construction program by the President not only is a boon to the economy, the Postmaster General pointed out, but is an essential part of the new programs of mail service improvement.

The new office is a link, Mr. Day points out, in a system which places at the disposal of the American people some 35,000 post offices, the services of 560,000 postal employees, 32,000 rural carriers, tens of thousands of vehicles, and billions of dollars in facilities and equipment.

BAY MAYOR PREDICTS HUGE TAHOE GAINS

CRYSTAL BAY — Speaking before a meeting of the Tahoe Area Council last week, Mayor George Christopher of San Francisco predicted that within ten years Lake Tahoe will have a population of 100,000.

In his talk, the mayor urged members of the council to prepare for "new challenges and new responsibilities." The meeting was held at Nevada Lodge.

Christopher declared that the population "will thrust itself upon you with tremendous impact." He urged businessmen to take an active interest in the political aspects of the growing area and to watch for diverse philosophies of government, some good and some not so wholesome.

Another speaker, James Harlan, conservation consultant for the U. S. Department of Health, Education and Welfare, read a paper which Gordon McCollom, chief of the department had intended to deliver.

He warned of keeping Tahoe waters free of pollution and said it would be a long and costly process but that the recreational value of the lake makes it worthwhile. Other areas, he added, had discovered this too late.

Belles and Beau Highlights: Much praise has been given the production of the Emblem Club variety show which was presented last weekend at the Crystal Bay Club theater room. According to all reports, it was a tremendous financial and social success. . . . after the final performance a cast party was hosted by the Crystal Bay Club management . . . in appreciation of all their efforts, Producer Pat Vanni was "flowered" and Director Bob Beaverson was "cuff-linked" by the Emblem Club. Magician Tom Coleman made the presentation . . . a casualty at the Friday night performance was Allan "Cuddles" Calhoun who was giving an outstanding performance in the male can-can line. He was kicked unintentionally by fellow terpsichorean Pat "Rosie" O'Grady and true to tradition carried on until the curtain was drawn and was then carried off. "Cuddles" is now a patient at the Tahoe Forest Hospital . . . one of Director Beaverson's nicest contributions to the show was the presentation of his wife Helen as mistress of ceremonies . . . more than 30 Girl Scouts of Troop No. 19 attended the Saturday matinee performance. According to the cast, the most articulate audience was the "under 21" one at the matinee . . . Ralph Bly, making his debut as a dramatic actor, was greeted by a barrage of "bouquets" on his first stage entrance. Presenters of the bouquets were Zill Conners, Bill Bechdolt and Jay Shontz . . . many clickings of cameras were heard, most of them taking shots of the beauteous can-can girls and the artfully dressed "Belles and Beaux."

DETOUR ROAD WILL BE CONSTRUCTED

Bruno Bacci, chief of the Placer County department of public works, said a detour is being constructed around a blockage on the west shore of Lake Tahoe and directional signs will be erected.

Bacci said the road was closed by debris resulting from a subdivision job in the area and that the subdivider is making an attempt to clear it. The builder's equipment bogged down in soft ground, Bacci added, and is pushing the detour to reopen access to the back country.

X-RAY UNIT WILL BE STATIONED AT LAKE

TAHOE CITY—The Placer County's mobile x-ray unit will be stationed in front of the new Tahoe City Shopping Center between the hours of 2:30 and 5:30 p. m. on June 15.

It is pointed out by Mrs. Marie Henry, director of the Placer County TB and Health Association that all food handlers and restaurant workers must have an examination once each year.

How individual rights are defended through spiritual perception of God's complete power and wisdom will be brought out at Christian Science churches this Sunday.
Keynoting the lesson-sermon entitled "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced" is the Golden Text from Proverbs (21): "There is no wisdom nor understanding nor counsel against the Lord."
Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include (pp. 234, 235): "Evil thoughts and aims reach no farther and do no more harm than one's belief permits. Evil thoughts, lusts, and malicious purposes cannot go forth, like wandering pollen, from one human mind to another, finding unsuspected lodgment, if virtue and truth build a strong defense.
From the Bible will be read these verses from I Peter (5): "Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour: Whom resist steadfast in the faith, knowing that the same afflictions are accomplished in your brethern that are in the world."

BOISE FIRM STARTS WORK ON LAKE JOB

BOISE, Idaho — Morrison-Knudsen Co. officials announced in Boise the beginning of work on a new 9,000-acre resort and commercial development at Lake Tahoe in Nevada.

J. B. Bonny, president of the world-wide construction firm with headquarters in Boise, said M-K is working in association with the Natomas Co. of San Francisco.

The work is being performed, he said, under an initial contract totaling 4½ million dollars. It was awarded by Crystal Bay Development Co. of Lake Tahoe, Nevada.

The new development, located in a heavily timbered area along the northeastern shore of the lake will be known as Incline Village. It will ultimately include a commercial area for casinos, hotels, and business firms, as well as residential tracts, Bonny said.

Under the initial contract, M-K with Natomas will install a community water system, sewage facilities and a complete pattern of through-roads and access routes, he said. Construction of these facilities will require about 10 months.

LOCAL CRASH LEADS TO DAMAGE AWARD

RENO—C. H. Burchett a heavy equipment operator in Tahoe City, has been awarded a judgment of $2,298.50 in civil action against Wells Cargo, Inc., as recovery for destruction of a piece of his machinery while being transported from Lake Tahoe to a job site east of Fernley, Nevada.

Murray Dolan, attorney for Burchett, argued the case successfully during a three-day non-jury trial before District Judge Grant L. Bowen in March. Attorney for Wells Cargo was Harold O. Taber.

A tournapull (heavy scraper) was damaged when it was taken by Wells Cargo under a too-low overpass near Truckee. The load was swept off the low-bed carriage and destroyed.

Besides the judgment to Burchett, Judge Bowen granted the defendant's counterclaim for $264 transportation cost of another piece of equipment the day after the tournapull was damaged. Burchett, until the trial, had refused to pay the bill until legal action was taken on the destruction claim of his other piece of equipment.

STATE OF CALIFORNIA
DEPARTMENT OF PUBLIC WORKS
DIVISION OF HIGHWAYS

NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the State Highway Engineer, Room 510, Public Works Building, Sacramento, California, until 2 o'clock p. m. on June 14, 1961, at which time they will be publicly opened and read in the Assembly Room of said building, for construction on highway in accordance with the specifications therefor, to which special reference is made, as follows:

Nevada County, Eagle Lakes Frontage Road, between 3.0 miles and 1.9 miles west of Cisco (III-Nev-37-A), a net length of about 1.1 miles, a frontage road to be constructed by grading and surfacing with asphalt concrete on aggregate base over aggregate subbase and a water supply line to be installed.

Bids are required for the entire work described herein.

Plans, specifications, and proposal forms to be used for bidding on this project can only be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, California.

Plans and specifications may be seen at the office of the State Highway Engineer at Sacramento, at the offices of the District Engineers at Los Angeles and San Francisco, and at the office of the District Engineer of the district in which the work is situated.

No bid will be considered unless it is made on a blank form furnished by the State Highway Engineer and is made in accordance with the provisions of the Standard Specifications and special provisions.

The Department of Public Works reserves the right to reject any or all bids.

Minimum wage rates for this project have been predetermined by the Secretary of Labor and are set forth in the special provisions. In the event there is a difference between the minimum wage rate as predetermined by the Secretary of Labor and the prevailing wage rates as determined by the Department of Public Works for similar classifications of labor, the Contractor and his subcontractors shall pay not less than the wage rate which is the higher of the two.

Abbreviations used in the schedule of predetermined wage rates in conjunction with employer payments listed in the right hand columns are identified as follows:

ph	per hour	pd	per day
phw	per hour worked	pdw	per day worked
php	per hour paid	pdp	per day paid
phw/p	per hour worked or paid	pdw/p	per day worked or paid
psth	per straight time hour	w	wage
psthw	per straight time hour worked	gw	gross wage
psthp	per straight time hour paid	tw	total wage
psthw/p	per straight time hour worked or paid	pmd	per man day

Employer payments other than those itemized herein, as defined in Section 1773.1 of the Labor Code, are to be paid in accordance with the terms of the collective bargaining agreement applicable to the type or classification of the workmen or mechanics employed on the project.

Overtime, Sundays and Holidays—not less than one and one-half (1½) times the basic hourly rate plus applicable employer payments. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workman employed on the project.

Copies of all collective bargaining agreements relating to the work as set forth in the aforementioned Labor Code are on file and available for inspection in the office of the Department of Industrial Relations, Division of Labor Statistics and Research.

Attention is directed to Section 7-1.01G of the Standard Specifications providing for employment of apprentices on the work. Every such apprentice shall be paid the standard wage paid to apprentices under the regulations of the trade at which he is employed. Information relative to employment of apprentices shall be obtained from the Director of the Department of Industrial Relations, who is the Administrative Officer of the California Apprenticeship Council.

Pursuant to the provisions of Section 1770 of the Labor Code of the State of California, the Department of Public Works has ascertained the general prevailing rate of wages and employer payments for health and welfare, vacation, pension and similar purposes in the county in which the work is to be done to be as follows:

POST OFFICE

(Continued From Page 1)

struction for the country to be started in the approximate 10-month period between February 15 and December 31.

Included in the local postal dedication, the postmaster announced that the following are among the guests expected to attend: John McMahon, assistant regional real estate manager, Posey Quesinberry, senior field services officer and E. J. Arch, postal inspector.

"Our patrons will derive more enjoyment from doing business here, their mail will be handled more efficiently and this building and its up-to-date equipment will enable our postal employes to work under the best of conditions," the postmaster commented.

"The new facility," he added, "will be a link with a postal system that today has over 35,000 post offices. This system serves more than 13 million persons and handles over two-thirds of the world's mail a year, including over a billion parcels," the postmaster added.

"National population increases will add nearly 3,000,000 people to the population in the next 12 months, with about one and a half million marriages and the establishment of 663,000 new households, including many in this community," the postmaster noted. "This will be reflected in increased demands for more postal service here," he explained.

"Mail business in this area has gone up," the postmaster noted. "For example, 10 years ago revenue was $11,316.57 compared with $63,736.54 today."

When the local post office was first established in 1871, its receipts ran only about $150 per. year.

The postmaster gave some other facts on the history of the local postal service of particular interest today as this community plans to add to its postal service facilities, as follows:

1. Number of employes today 7, compared with 2 ten years ago.
2. John B. Campbell was the first postmaster, being installed on June 21, 1871.
3. Number of postal routes served by the local postal facilities today 3, compared with ten years ago.
4. Number of stamps sold today total 1,593,413 a year, compared with 282,914 a year ten years ago.

TAHOE SQUAWS SEAT OFFICERS AT MEET

TAHOE CITY—Sunnyside Lodge was the setting Wednesday night for the lovely installation ceremonies for the incoming officers o fthe Tahoe Squaws. Setting the motif for the entire affair was the Indian origin of the club title. All the incoming officers were presented with their feathers of office with the incoming president, Mrs. James Brehler, receiving a tomahawk gavel. Acting as chief installer for the ceremonies was Squaw Mrs. Bob Beaverson.

Creating the floral setting of daisies and greenery and the impressive Hiawatha ceremony were Mrs. Harold Farr and Mrs. Dave McBride.

Officers for the coming year who were installed are Mrs. James Brehler, president; Mrs. Ron Mathewson, vice president; Mrs. John Anderson, recording secretary; Mrs. Marvin Schwartz, corresponding secretary; Mrs. Jack Franklin, treasurer; and Mrs. Enrico Giannini, auditor.

Presiding at the meeting, which was a dinner meeting featuring prime ribs of beef, was out-going president Mrs. Bill Briner.

BOOKS CLUB TO MEET FOR FINAL SESSION

Anton Chehov, of Russia, of whom was said, "he was the least dogmatic of writers and one of the most human of men," is the author of two plays to be discussed by the Great Books Discussion Group at their May 31 meeting. The plays are "The Seagull" and "Uncle Vanya."

Mrs. Hilda Hintz has volunteered to lead the discussion beginning at 8 p. m. in the library of the high school in Truckee.

This meeting completes the fifth year program of the group which has met twice each month since their beginning in 1956.

Taylors To Sonora—

Mr. and Mrs. Jack Taylor, residents here for 8 years are leaving this week for Sonora where they are beginning a well drilling business. The Taylors will visit here when possible as their son in law and daughter, Mr. and Mrs. Craig Robinson are Truckee residents.

SKI INSTRUCTORS AT MEET IN MONTANA

A number of ski instructors and ski school directors from this vicinity attended the third annual National Ski Instructors' meeting at Big Mountain Resort, Whitefish, Montana earlier this month.

Among the local people were Joe Marillac, director of the Squaw Valley Ski School and his staff, Stan Tomlinson, Norm McKinnon and guest speaker Joe Miller; Junior Bonous, ski instructor at Sugar Bowl and Mrs. Bonous; Edvi Aro, instructor at Donner Ski Ranch and Mrs. Aro.

Emile Allais, former Olympic world champion and Guy Perrillat, French national champion, were flown to the meeting by the French government and their talks and demonstrations were highlights of the meeting.

The United States will be host to the first international ski instructors' convention in 1964.

LOCAL NURSES WILL ATTEND SEMINAR

By Virginia O'Bear

Mrs. Harold Gilson and Mrs. Preston Patnoude have been invited to the Nursing Seminar at the Tahoe University Center, from June 4 through 9. Sixty-five nurses from northern California were chosen to have extensive training which is being paid for through the Kellogg Fund.

This is quite an honor to have two of our nurses chosen and they will participate in this study and will have all expenses paid when they travel all over California for the various meetings scheduled for the year. This program is under the direction of the University of California.

WOMAN DIES AFTER CRASH ON HIGHWAY

One woman was killed, her husband only slightly injured shortly after 11 o'clock Thursday night when their westbound vehicle swerved off Highway 40 half a mile east of the Highway 20-40 junction and plunged down a 100 foot embankment.

Hazel Lilly Purdew, 61, Napa, was found by California Highway Patrolmen with her head through the car's rear window. Her husband Carlton Allen Purdew, 64, the driver, suffered only minor injuries. The body was taken in charge by Nevada County Coroner Alvah Hooper and moved to the Colonial Mortuary in Truckee.

Held On Charge

Ronald Lee Martin, 20, of Truckee was arrested last week by sheriff's officers on warrant from Placer County charging failure to provide for minors. He was booked in the county jail and later delivered to officers from Auburn.

SCHOLARSHIP FUND

A moving picture, Surf Mania will be shown in the Truckee high school May 26 at 8 p. m. and May 27 in the Tahoe City elementary school. The charge for the showings of the interesting picture will be donated to the scholarship fund for the benefit of qualified, worthy students.

SPECIAL MEETING

A special meeting of the board of directors of the Truckee Public Utility District will be held at 8 p. m. May 31 for the purpose of discussing accounting and reporting.

Guests Of Smarts—

Mr. and Mrs. Harry Stockdale of South San Francisco were guests of their son in law and daughter, Mr. and Mrs. Reg Smart. They attended the Sunday installation of their granddaughter, Karen Smart to the position of worthy advisor of the Order of Rainbow for Girls.

INTER COLLEGE RODEO

Mr. and Mrs. J. R. Richards and son Dennis of Donner Lake returned from Provo, Utah where they visited their daughter, Miss Clarita Richards who was the second attendant of the B. Y. U. rodeo queen, when 12 western colleges competed in the event. Miss Richards will graduate from the university June 2 with a business executive major. She plans on spending the summer here.

In Contest—

Stanley Drakulich of Reno and former Truckee teacher represented the Toastmasters Club in a speech contest last Saturday at Oakland.

May Day—

Mrs. Charles Heller received felicitations on her birth date, May 22.

Thompsons Back—

Mr. and Mrs. John Thompson are again at Donner Lake, having returned from their annual trip to Leevining.

CARD OF THANKS

I wish to thank my friends for the beautiful flowers, cards and candy sent to me during my stay in the hospital and many thanks to the staff of Tahoe Forest Hospital for the wonderful care I received.

WHAT ENTERPRISING YOUNGSTERS! HOW'S BUSINESS?

TERRIBLE! WE HAVEN'T EVEN SOLD ONE GLASS!

WELL, I'LL CHANGE THAT! I'LL TAKE A LARGE GLASS, PLEASE.

WHAT'LL WE CHARGE FOR SUCH A BIG GLASS?

FIFTEEN CENTS!

ISN'T THAT TOO MUCH?

WHAT IF IT IS? IT MIGHT BE THE ONLY MONEY WE TAKE IN TODAY.

THIS IS VERY GOOD. HERE'S A DOLLAR, AND YOU CAN KEEP THE CHANGE.

A-- WHOLE-DOLLAR?

YES. I LIKE TO ENCOURAGE AMBITIOUS YOUNGSTERS.

JUST BE CAREFUL WITH THAT MONEY, AND REMEMBER...

"... A FOOL AND HIS MONEY ARE SOON PARTED"!

WE KNOW THAT, MISTER- BUT WE THANK YOU JUST THE SAME!
